Breed of dog	Daily recommended feeding rate
Toy (3-9 kg)	80 g - 190 g
Small (9-18 kg)	190 g - 300 g

Pro Small breed is a complete food for dogs, rich in white meat (chicken and turkey), nutritionally balanced and highly palatable. Ideal for small breeds of dog from 5 months of age, and due to its optimal energy balance this diet is suitable for dogs living either indoors or outdoors.

Pro Small Breed is enriched with linseed and soya bean seeds, high in Omega 3 and Omega 6 oils, which help to keep the coat shiny. The formulation also incorporates tomato extract, a source of lycopene, which has an antioxidant function and acts as an anti-free radical agent.

Directions: This food is formulated for feeding dry, with plenty of fresh clean water provided separately.

Composition: Dehydrated animal protein (chicken and turkey min. 18%), Corn, Rice (min. 10%), Sorghum, Wheat, Soybean meal, Chicken fat, Wheat middlings, Whole soya beans, Hydrolyzed animal protein, Whole linseed (min. 1%), Dehydrated alfalfa, Sodium bicarbonate, Olive oil, Tomato Extract (min. 0,1%), Dried garlic, Rosemary oil, Oregano Oil.
